22nd ANNUAL '04 Safety Super Stars

2004 Annual Traffic Safety Awards Program

Call For Entries

The Washington Traffic Safety Commission seeks statewide nominations for the 22nd Annual Traffic Safety Awards Program.

Winners will be honored for their traffic safety innovations at a luncheon ceremony in early December. Please join us!

Awards Program Thursday, December 9th, 2004
SeaTac Hilton - SeaTac, WA

Award Categories

Entries must be received by 5:00 P.M. on Friday, Oct. 15th, 2004

Questions?
Contact Mark Medalen, Washington Traffic Safety Commission, (360) 586-3871 mmedalen@wtsc.wa.gov

Business leadership - For companies that have taken a leadership role in fostering improved traffic safety.

Community/Government program leadership - For city, county or neighborhood programs (or projects which draw membership from government and the private sector), which address traffic safety problems in unique and efficient ways.

Citizen activist - For individuals who have demonstrated outstanding effort in promoting safe roadways, or who have successfully brought public attention to a roadway safety problem or issue, or who have successfully brought disparate groups together to solve a traffic safety problem.

Legislative leadership - For elected officials who have demonstrated exceptional personal involvement in reducing traffic problems or promoting strong laws which support safe roadways.

Media awareness - For exceptional coverage of traffic safety issues.

Educational outreach - For an educational institution, service group, government or nonprofit organization that has demonstrated outstanding effort in forming an effective education program or citizen involvement effort to promote safety.

Youth initiative - For a young person or organized youth group that has successfully promoted safe roadways.

The judiciary - For people who work in (or with) the judicial system who have demonstrated unusual commitment in the area of traffic safety education, prevention, arrest, prosecution and (or) adjudication.

Law enforcement - For law enforcement personnel who have developed innovative techniques used to detect and (or) deter traffic law violators or who have demonstrated a strong commitment to traffic safety.

Engineering - For individuals or groups that have achieved success promoting engineering solutions to roadway problems.

Traffic records - For outstanding efforts to promote a greater understanding of traffic safety issues through data collection.

Lifetime of Achievement - For a person who has demonstrated outstanding commitment to roadway safety over a period of many years.

Special Director's Award - For outstanding efforts to promote traffic safety objectives with a project, program or work effort.
